19:00 – 20:00	Group dinner		
20:00 – 21:00	Group dinner		

Monday (Novotel hotel)

Presentations:

- Paper 1 - Spectral characterization and calibration - Luis Alonso
- Paper 1 - Stray light - Andreas Hueni
- Paper 1 - Linearity and Temperature dependence - Javier Pacheco
- Paper 1 - Reference standard. Reflectance, transmittance and angular dependency - Alasdair Macarthur
- Paper 1 - Radiometric calibration - Laura Mihai
- Paper 1 - Tracing of uncertainty - Andreas Hueni

- Paper 2 - Operational characteristics - Alasdair Macarthur
- Paper 2 - Fluowat - Luis Alonso
- Paper 2 - Field set up - Yves Guolas
- Paper 2 - Scaling Up - Enrico Tomelleri
- Paper 2 - Atmospheric correction - Neus sabater (Skype)

- Paper 3 - Retrievals methods - MaPi Cendrero-Mateo
- Paper 3 - Practical case - retrieving fluorescence - Sebastian Wieneke

Tuesday (CETAL)

CETAL web - http://cetal.inflpr.ro/phil_research

Romanian Space Agency (ROSA) web - <http://www2.rosa.ro/index.php/en/space-strategy/programul-star>

Presentations:

- Intro OPTIMISE - Alasdair Macarthur
- Presentation of the Center for Advanced Laser Technologies - Dan Sporea
- Presentation of our facilities to support OPTIMISE and FLEX - Laura Mihai and Dan Sporea
- Romanian Space Agency - TBA

Wednesday (Novotel hotel)

Presentations:

- Conclude workshop - Javier Pacheco, Helge Aasen, MaPi Cendrero-Mateo

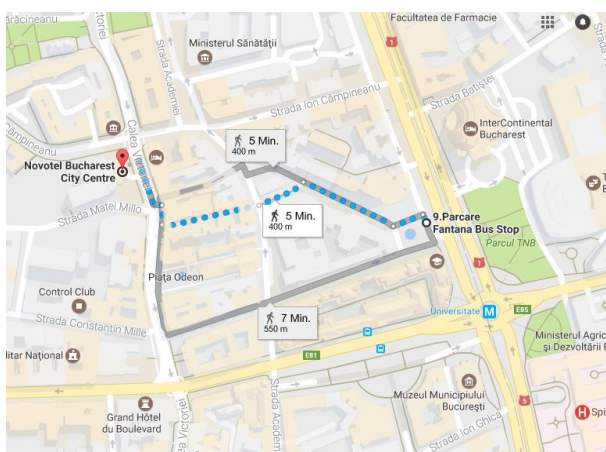

Workshop hotel

Novotel Bucharest (<http://www.novotel.com/de/hotel-5558-novotel-bucharest-city-centre/index.shtml>)
Calea Victoriei 37B, București 010061, Rumänien
+40 21 308 8500

Directions from Airport to Workshop hotel

At the **airport** take the **bus number 783** to bus station **Parcare Fantana Bus Stop** (10 min walking distance to Novotel Bucharest)

<https://goo.gl/maps/q4LPbmzfmyT2>

Directions from Workshop hotel to the restaurant where we will have dinner on Monday

Restaurant name - Caru' cu Bere (<https://www.carucubere.ro/>)

<https://goo.gl/maps/AKHhbDDMHvL2>
